

**Inspired by nature.
Designed for your life.**

VT Dimensions® countertops bring everything together in one seamless offering—from the slab-like core, to the naturally beautiful surface, to the premium edge profiles.

- Formed as a single piece with a rolled front edge and integrated backsplash
- High-definition patterns create the natural beauty of stone
- Durable surface resists scrapes and scuffs, without polishing or resealing
- Seamless surface helps avoid the collection of dirt and grime

**The most advanced concept
in high-end countertops.**

- State-of-the-art manufacturing assures your satisfaction every time
- 45-lb. industrial particle board as standard (meets HUD and government specs; ANSI approved)
- EQcountertops are FSC® certified to originate from responsibly managed forests
- GREENGUARD Gold Certified for low chemical emissions
- PVA glue line provides strongest possible bond between particle board and laminate

**Dimensions countertops add
character all across your home.**

- Beautiful enough for your kitchen
- Strong enough for your workbench
- Handy workspace for laundry area
- Sturdy and easy to clean for kids' rooms
- Distinctive desk space in the home office

Add the low-maintenance beauty of a VT Dimensions countertop to your home. Call or visit us on the web to learn how.

11 DISTINCTIVE EDGE PROFILES.

ORA

1/8" Radius Full-Wrap Edge

- Pencil-line edge creates the authentic look of stone
- Full-wrap design wraps around bottom edge for "slab" effect

MARBELLA 1/8" Radius Edge

- Sophisticated and modern lines blend effortlessly into the slab-like profile
- Pencil-line edge creates the authentic look of stone

VALENCIA Full-Wrap Ogee

- Dramatic, graceful contoured slope
- Full-wrap edge design for classic sophistication

BARCELONA Contemporary Ogee

- Striking edge contours add distinction and flair
- Double-waterfall edge is perfect for classic and modern designs

GENEVA Modern Drop Ogee

- Clean, attractive edge
- Subtle modern-drop ogee emanates understated class

FUTURA Double-Radius Edge

- Contemporary, postformed double-radius edge can provide the "slab" effect of a solid surface or stone
- Attractive focal point in kitchens and baths

CAPRICE No-Drip Edge

- Eye-catching design with no-drip front edge
- Classic no-drip edge strengthens the area and prevents gap from appearing between the particle board and the laminate

AFTON

Full-Wrap Contemporary Ogee

- Double-waterfall ogee blended with the sophistication of a full-wrap edge
- Suitable for all residential, commercial, institutional, or light-industrial applications

NOVA 180° Wrap Edge

- Sleek styling of a 180° VT Dimensions edge
- Perfect for customers looking for a rounder profile
- Popular choice for commercial applications

TEMPO Waterfall Edge

- Classic, postformed waterfall edge
- 1/2" radius on waterfall edge and backsplash provides a contemporary look

TIBURON

Shark Nose Reverse Bevel Edge

- Standard postformed-grade laminate with a thickness of 0.042" + 0.002"-0.008"
- Standard substrate is 3/4" industrial-grade particle board, available in 8', 10', and 12' lengths
