CUSTOM & STANDARD SIZES

No matter what size your customer's project calls for, VT can handle it. A'vant vanities come in five standard sizes, and VT also offers custom sizes.

- Fully fabricated vanity tops come in the following standard sizes: 25", 31", 37", 49", 61"
- A custom offering is available
- All standard and custom sizes have a standard 2-cm thickness
- Backsplashes are included with the vanity as a kit
- Backsplashes are 4" x the length of the vanity (2-cm thickness)

THE VT ADVANTAGE

Quoting Ease

VT's new state-of-the-art Compass Program, an online quoting tool, makes quoting easy for you and your customers.

Faster Delivery

Building on our reputation of speed and consistency, VT backs A'vant by offering the fastest delivery in the market.

Quality Product Packaging

With VT, you can rest assured that everything that can be done is being done to protect your order. Our quality product packaging and packaging process help ensure safe delivery so tops aren't broken or scratched when they arrive.

Marketing Support You Can Count On

Showcase A'vant to your customers in convincing detail with VT's incredible marketing support, which includes in-store displays, product samples, literature, online tools, videos, and more.

PROVEN TO PERFORM.

Quartz and granite have earned a reputation for high durability, and for good reason. These natural surfaces stand up to the everyday—and then some—to maintain a beautiful, consistent look for years to come.

THE PERFECT SINK PAIRING.

VT offers a variety of sink options to pair with A'vant vanities, ensuring your customers can find exactly the look they want.

- 2 Colors: White & Bisque
- 2 Shapes: Oval & Rectangular
- Oval Sink—17" x 14"
- Rectangular Sink—18" X 13"
- Single or Double Bowl
